AUB TO TEST WASTEWATER LINES

◆ Beginning Tuesday morning, September 10th, crews from Athens Utilities Board's (AUB) wastewater division will test wastewater lines for leaks by introducing smoke into the lines to pinpoint problem areas. Area streets will include 1. Central Avenue (606 Central to Central @ Slack Road) 2. Slack Road (106 Slack Road to 314 Slack Road) 3. Shell Street 4. Tennal Street 5. Park Wilson Drive 6. Bellbrook Drive 7. Hillside Lane. The 2nd phase of testing will begin Tuesday, September 17th, weather permitting. - Meanwhile AUB electric line crews were moved from Gainesville, Florida to Conway, South Carolina over the weekend to help that community restore their power system because of damage from Hurricane Dorian. The AUB crew is working alongside crews from Cleveland Utilities and Service Electric Company of Chattanooga under a mutual aid agreement in Conway.
