TBI INVESTIGATING DEATH

◆ The Athens Police Department, in a release, says that a person was mortally wounded Friday afternoon at a residence on Delmar Street. At about 1 p.m. officers were dispatched to the residence after an 18 year-old woman requested to speak with police. After talking with the female, APD said they found that there was no law enforcement action to be taken. The officers then spoke with the woman's boyfriend in the front yard while the young woman went back into the residence. A short time later a noise was heard and officers entered the house and found the woman wounded. Officers rendered medical aid and summoned Emergency Medical Services and secured the scene. The woman was transported to the hospital by EMS and pronounced dead later. District Attorney General Stephen Crump and Athens Police requested that the Tennessee Bureau of Investigation conduct an investigation of the events that led to the woman's death. According to the TBI, the victim was identified as Cassie Wright. The investigation remains active and an autopsy has been ordered.
