## More Drive-Thru Virus Testing

The Tennessee Department of Health will offer 16 drive-through events across the state this coming weekend to make COVID-19 testing available to Tennesseans who are concerned about their health or the health of their family members. No weekend testing will take place in McMinn County. However, testing will take place at Cleveland Middle School, 3635 Georgetown Road NW, on Saturday from 9 a.m. to 12 noon and at the Opus Inspections Emissions Testing facility at 1620 Riverfront Parkway, Chattanooga, from 8:30 a.m. to 12:30 p.m. on both Saturday and Sunday. Health Department nurses and/or National Guard medics at each site will collect nasal swabs from those who want to be tested. (Please note that public restroom facilities are not available at the drive-through testing events. Meantime, testing continues today and tomorrow (Thursday and Friday) from 9 a.m. to 12 noon at the McMinn County Health Department off Highway 30 behind the National Guard Armory. There is no charge for any of these tests and no doctor's order is needed. Results of the tests are usually available within 72 hours after the samples arrive at the lab, depending on the lab volume. Everyone who is tested will be contacted about their results, whether they are negative or positive.

## What's Open & What's Not

Governor Lee issued a new executive order this week that supercedes and repeals several previous orders on what businesses can reopen and which ones cannot.

**What's allowed:** The order allows Tennesseans to return to work in all industries where it can be safely done by following health guidelines, including face coverings and telework if possible. Retail stores may reopen at 50% capacity. Employees must wear masks and gloves. Plastic shields should be installed at checkout counters. Gyms and exercise facilities will be allowed to reopen May 1st under strict social distancing guidelines.

**What's not allowed:** Social and recreational gatherings of 10 people or more are prohibited, including festivals, fairs, parades, and youth and adult sporting events. Close-contact personal service must remain closed for now, including barber shops, salons, spas, tattoo services, tanning salons, and massage facilities. Nursing homes and similar retirement and long-term care facilities must remain closed to visitors. Entertainment and recreational gathering venues are to remain closed for now, including bars, night clubs, bowling alleys, arcades, concerts, theaters, auditoriums, performing arts centers, amusement parks, and skating rinks.

**Churches:** There will be guidelines for safe operation of worship services and gatherings if in-person services are conducted. The order strongly encourages places of worship to continue virtual or online services where possible.
