Brittany Cook Wins DAISY Award

Starr Regional Medical Center recently honored Brittany Cook, RN, with The DAISY Award for Extraordinary Nurses for the third quarter of 2024, recognizing her for her dedication to compassionate, patient-centered care. A patient nomination praised her and noted, "She is so good at her job. She is consistent and uses all

her tools to get the job done the right way. She takes an interest in her patients and makes us feel seen and validated."

Boys & Girls Club Raising Funds

The Boys & Girls Clubs of the Ocoee Region's Etowah Unit is rallying community support to build a dedicated facility in Etowah, aiming to expand its afterschool program for local youth. The Etowah Unit, established in September 2022, currently operates out of the First Baptist Church on Washington Avenue, offering tutoring, life-skills training, arts, and STEM programs, as well as daily meals. The Club's impact reaches middle and high schoolers who are now preparing for Junior Youth of the Year and Youth of the Year, where top achievers can earn scholarships totaling up to \$200,000 in the national competition.

Sierra Fischer, Etowah Unit Director, shared her commitment to the mission, saying, "I love what I get to do at Boys & Girls Clubs. I play a role in having a positive impact on the lives of every child who walks through our doors, and there is nowhere else I'd rather be. My greatest hope is to have our own space large enough to serve all the amazing kids in Etowah." To help make this dream a reality, the McMinn Community Campaign is seeking donations.

Those interested in supporting the campaign or enrolling their children can visit bgcocoe.org or contact Director Sierra Fischer at sfischer@bgcocoe.org or simply scan the QR Code provided.
