## Three Killed in Fiery Head-On Crash on Highway 68

A fatal head-on crash involving a stolen vehicle claimed three lives Friday morning on Highway 68 in McMinn County.

Authorities say a white Ford truck reported stolen out of Georgia was traveling northbound around 9:00 a.m. when it collided head-on with a minivan carrying two occupants. One person was inside the Ford truck. Both vehicles caught fire following the impact.

Law enforcement officers arrived within minutes and attempted to extinguish the flames using fire extinguishers. One occupant was pulled from the minivan, and life-saving measures were immediately attempted. Fire crews from North McMinn Rural Fire arrived shortly thereafter and fully extinguished the fire. Despite the efforts of first responders, the individual removed from the vehicle later succumbed to injuries. All three individuals involved in the crash were pronounced dead. Highway 68 remained closed for approximately six hours while emergency crews responded and investigators worked the scene.

Incident command was led by Stephen Capua of North McMinn Rural Fire, alongside Chad Gates of Niota Rural Fire and Chuck Burris of Athens Rural Fire. Numerous agencies assisted, including Clearwater Rural Fire, AMR, Tennessee Highway Patrol, McMinn County Sheriff's Office, Sweetwater Fire Department, Sweetwater Police Department, and McMinn County Hazardous Materials Operations. The incident remains under investigation.

Athens Community Theatre will continue its 2025–2026 Table Read season with a public reading of *The Diary of Anne Frank*, **TODAY, Tuesday, Jan. 27**, at 6 p.m. at The Arts Center in Athens.

The table read, led by ACT Director Colby Pilkey, will feature the award-winning stage adaptation by Frances Goodrich and Albert Hackett, which received both the Tony Award for Best Play and the Pulitzer Prize for Drama. ## Rising Gas Prices Across Tennessee During Winter Storm

Gas prices across Tennessee rose five cents ahead of the winter storm, bringing the statewide average to \$2.54 per gallon. That price is 10 cents higher than one month ago but remains 22 cents lower than this time last year. McMinn County mirrors the state average at \$2.54 per gallon.

Nationally, the average gas price stands at \$2.88, up six cents from last week. According to analysts, gasoline demand is typically lowest this time of year as winter weather keeps drivers off the roads, though demand is expected to increase by late February and early March with milder conditions and Spring Break travel.

Within Tennessee, the most expensive metro markets are Nashville at \$2.68, Cleveland at \$2.65, and Jackson at \$2.58. The least expensive markets include Morristown at \$2.40, Knoxville at \$2.41, and Kingsport-Bristol at \$2.43.

As winter weather continues to impact the region, motorists are reminded to take precautions when driving. Drivers should fully clear snow and ice from all parts of their vehicles, drive at slow and steady speeds while leaving extra following distance, and avoid using cruise control on slippery roads. Officials also recommend using low-beam headlights—and fog lights when available—to improve visibility during snow, rain, or fog.
